PROFESSIONAL SUMMARY

Diligent and innovative Frontend Web Developer with 2 years of hands-on experience, seamlessly blending technical expertise with a strong foundation in sales and marketing. Proven ability to translate client requirements into visually appealing and functional web interfaces. Adept at optimizing user experiences through responsive design and performance enhancements. Leveraging a unique background in sales and marketing, I bring a client-centric approach to web development, ensuring solutions that not only meet technical standards but also align with business objectives. Committed to staying abreast of industry trends and continuously enhancing skills to deliver cutting-edge websites. Ready to contribute dynamic development and marketing insights to drive success in collaborative projects.

EXPERIENCE

Web Developer

Freelance

2021 - 2023

Versatile and experienced freelance web developer dedicated to transforming ideas into impactful online experiences. With a proven track record in crafting responsive and visually stunning websites, I bring a passion for clean code and innovative solutions to every project. My expertise spans a range of technologies and frameworks, ensuring the delivery of high-quality, user-friendly websites tailored to client needs.

Sales and Marketing

Tristate Media / Taylor, AL

2016 - 2021

Dynamic and results-oriented Sales and Marketing Associate at Tristate Media, I am dedicated to driving growth and elevating brand presence. Armed with a keen understanding of the media industry, I orchestrate strategic marketing campaigns and foster client relationships to enhance market share. From creating compelling promotional materials to executing targeted outreach initiatives, my goal is to amplify Tristate Media's market impact.

EDUCATION

Associate of Science (AS)

Altcademy

2023 - 2024

Associate of Science (AS)

Nucamp

2021 - 2022

Graduate of Nucamp Coding Bootcamp, where I honed my skills in full-stack web development. Focused and hands-on, I gained practical experience in HTML, CSS, JavaScript, Node.js, and React. Nucamp's immersive curriculum equipped me with the tools to tackle real-world coding challenges, fostering a foundation for continuous learning and growth in the dynamic field of web development.
